CLR Legal Teams tackle new issues

We had an amazing response to our call for volunteer attorneys to participate with our

new legal teams. The teams are now well staffed and addressing issues of great concern and interest to our clients.

Proposal 2/Affirmative Action Legal Team

Following the passage of Proposal 2 last November, this team is researching the potential impact the constitutional amendment will have on nonprofit organizations. *CLR clients are encouraged to contact us with your questions or concerns regarding this issue and they will be shared with the team.* We will continue to update you regarding the team's responses to your concerns and its progress.

Youth Opportunities Legal Team

This legal team is researching and preparing a manual for nonprofit organizations that offer youth programs. The manual will address the regulations and legal issues that organizations must follow and consider when serving youth. *To assist in this effort, CLR encourages clients with youth programming to share their current policies and procedures or questions with the team.*

To share information with the Prop 2 or Youth legal teams, please contact Sarida Scott at sscott@michiganlegal.org or 313.962.3171, ext.227.
